

HIGHLIGHTS

Text-to-Downloads & Custom QR Codes

Audience members automatically receive a download link to their show when they text a word of your choosing to a number.

Digital Curtain Sync

Synchronous stage and app experience. As the curtain rises on stage our digital shade descends to prepare the audience's attention for the show.

Real-Time Show Updates

Understudy changes. Inclement weather updates. Your audience is kept up-to-date in real-time with our notification management system.

THE MAIN SHOW

Mass Texting

Easily broadcast texts and alerts to show attendees.

2-Way Message Center

Easily communicate with your audience to answer questions.

Instant Polls & Surveys

Increase audience participation with real-time polls and surveys.

Sponsors and Ads

Easily promote static and animated ads throughout your performance app.

Interactive Map

Help your guests find their way with our interactive map functionality.

Private & VIP Channels

Provide exclusive access to your more important patrons to engage.

Automated Newsletters

Keep your patrons returning by automatically sharing theatre updates.

Program Downloads

Download your digital program in any format you wish to use and share.

Audience Uploads

Have patrons upload and share their photos for future newsletters.

Custom Design

Easily promote static and animated ads throughout your performance app.

Custom Registration

Customize the sign-up process for your theatre and how users login.

Custom Access

Customize what information you collect and what access levels users receive.

Volunteer Registration

Easily request and manage theatre volunteers for specific projects and tasks.

Digital Fundraising

Easily request single donations or recurring giving for your projects.

Ticket Sales & Integration

Sell tickets to events and/or easily integrate your app into any ticketing system.

Track Results

View results, filter lists, track user engagement, and see all activity.

Behavior-Based Targeting

Customize the fields on the User's Profile that allows you to understand their motivations and interests.

Auto Publish & Expiration

Load up your content and events in advance and watch them populate and expire automatically.
